Dated/ 8.10.2008

Sub:- Instructions regarding sanctioning of Building plan submitted on the basis of std, design/ Arch. Control issued by HUDA.

It has been decided that in case of sanctioning of std. design/ Arch. Controls issued by HUDA if internal changes are there in the drawings, the same have to be authenticated by a private Architect and then routine procedure of sanctioning is to be followed.

In case the allottee is submitting the drawings without any internal changes, authentication of private Architect has to be there for indicating the Public Health services line, and other mandatory provisions which are to be checked and approved by Engineering Wing of HUDA, however in such cases plans should only be referred to Engineering Wing (For Public Health approval) and Estate office. (For ownership verification & dues checking).
